

Corporate Partner Sponsorships 2023

More than the Marathon

Partner with Open Hand Ministries to provide Pittsburgh families an achievable pathway to economic security.

The Marathon is THE fundraising event of the year for OHM.

OHM is a consistent Run for a Reason Charity at the Marathon

- We expect to have **50+ people** from the neighborhood, from partnering religious congregations and from corporate teams participating in 2023!
- **OHM provides recognition of sponsors** at the Marathon, at rehab sites, through speaking engagements, and with individuals and other partners year-round — **see attached benefits.**

We invite you to join us and to benefit from this determined group!

But, we are More than the Marathon

The journey from poverty to home ownership and/or financial freedom is a marathon and the journey takes not only months but years. **Our families work year-round to achieve their goals.** We provide ways for you to engage with our work for the entire 2023 year!

New for 2023: Corporate Partners will receive recognition and help families all year long

- Help families reach their financial finish line — preparing them to be **financially sound** and able to **build wealth.**
- **Create your company team** to run or walk in Marathon weekend events.
- **Volunteer for OHM** at marathon hydration stations; serve a meal at one of our weekly program events; speak at one of our gatherings; participate in a work-day at a home rehabilitation; or invite an OHM staff speaker to come to your worksite.
