

Invitation to Potential OHM Sponsors

Community Development at Open Hand Ministries means building a thriving, diverse community where all families thrive.

Isn't that something we all want for Pittsburgh? A place where investment is made in our residents and where families remain in the neighborhoods where they have lived for generations.

Your investment in Open Hand Ministries makes this possible!

Open Hand is a vibrant community of remarkable and unique individuals composed of underserved families, volunteers of all ages, church members, neighbors, pillars of the community, marathon runners and walkers, employees, and entrepreneurs just like you. We eat, drive, play, study, bank, shop, exercise, work, and consume at businesses like yours!

As one of our key corporate partners

You help us address Pittsburgh's affordable housing crisis and make a place where affordable homeownership moves families out of poverty and into the middle class.

- **You** help us build a community of families pursuing financial wellness
- **You** help families improve financial skills and credit scores *year after year*
- **You** help families prepare for homeownership - soon we will have 1 more!
- **Your** sponsorships have helped generate more than \$6 Million in equity for OHM families - owning an asset like a home provides for financial freedom

See the attached sponsor information to find your place in our community and the benefits we offer! We are accepting sponsors for 2024 and 2025 at this time. Contact Laura Ristau at development@openhandpittsburgh.org to learn more.

We are grateful for your thoughtful consideration. We would love to show you around our new bungalow-style home in Garfield!

Blessings,

Wayne Younger
Executive Director

Open Hand Ministries 616 N Highland Ave Pittsburgh, PA 15206 openhandpgh.org

Open Hand Ministries empowers marginalized people through a village built on education, financial wellness and affordable homeownership.
